

# PARTNER PORTAL

Addressing the needs of our worldwide business partners, MYKITA is upgrading its retailer platform to the MYKITA Partner Portal. Central to the updated portal is the 24-hour access to the new web shop, service area and brand tool kit.

**Stock transparency**

Real-time information on stock availability for consumer and stock orders

**Restocking 24/7**

Replenish at any time of the day without assistance needed

**Instant consumer orders**

Place consumer orders (also known as 'reference orders') during in-store sales consultations

**Virtual shelf extension**

Use the Partner Portal as a virtual shelf extension during in-store consultations

**Personalised interface**

With multiple logins per partner possible, each user has an individualised interface tailored to the appropriate needs and access levels

**Full product portfolio and information**

Instant overview of all collections, models, and colourways

**Technical manuals**

All relevant manuals, technical descriptions, and how-to videos for MYKITA products

**Brand marketing material**

Download lookbooks and press material, POS information, plus all official texts about MYKITA

**Free shipping within North America**

We offer free shipping for orders of five frames or more
